

School Cafeteria

A Social Story Song by Vanessa Ceballos

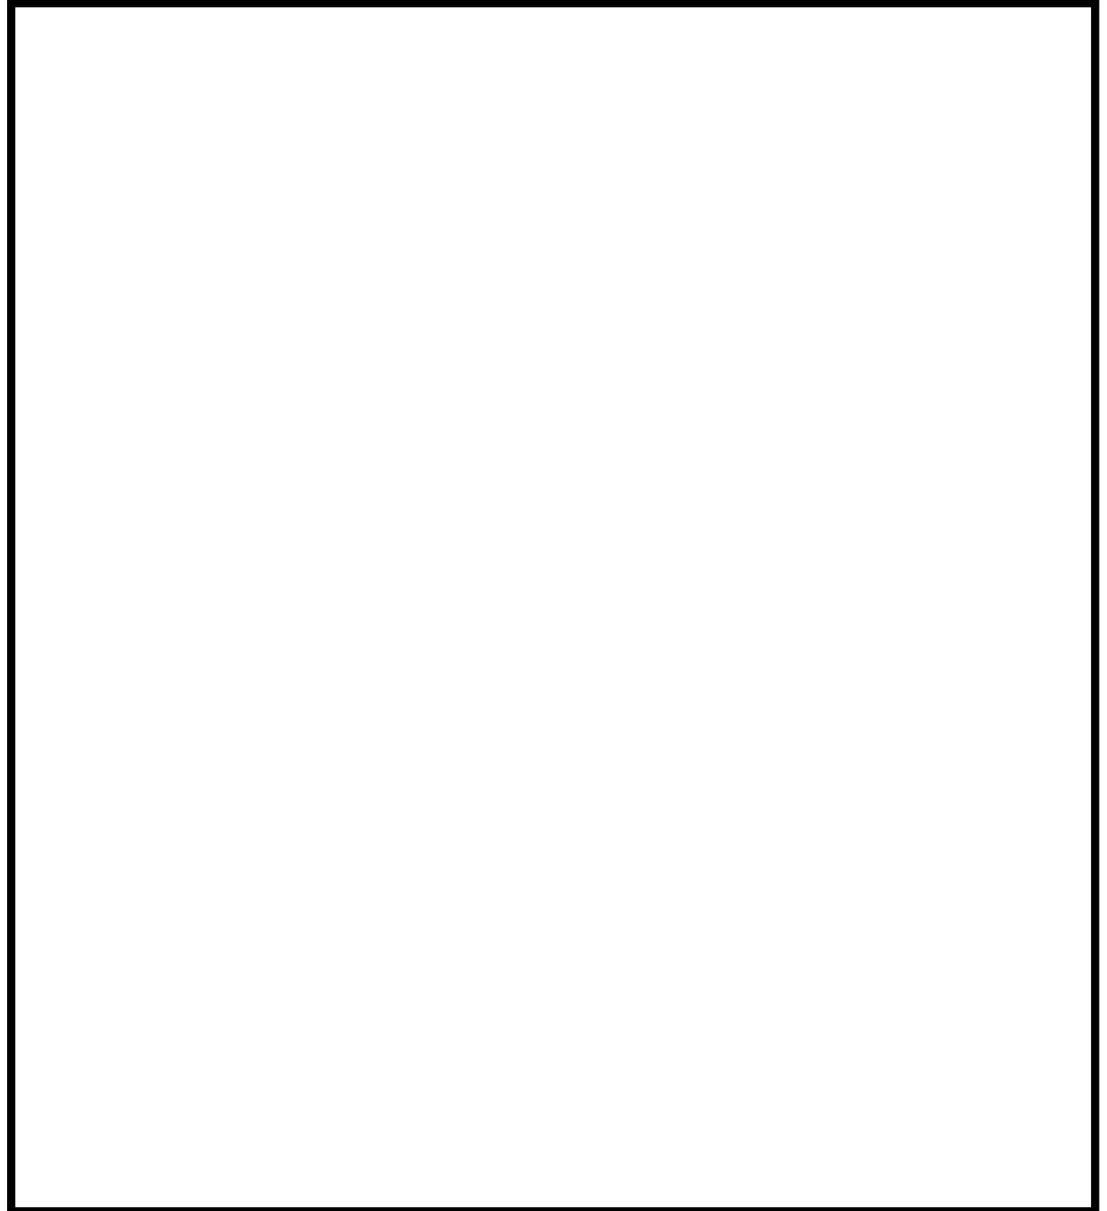

I am back at school,

Eating lunch with my
friends.

I'm back at school,

In the cafeteria again!

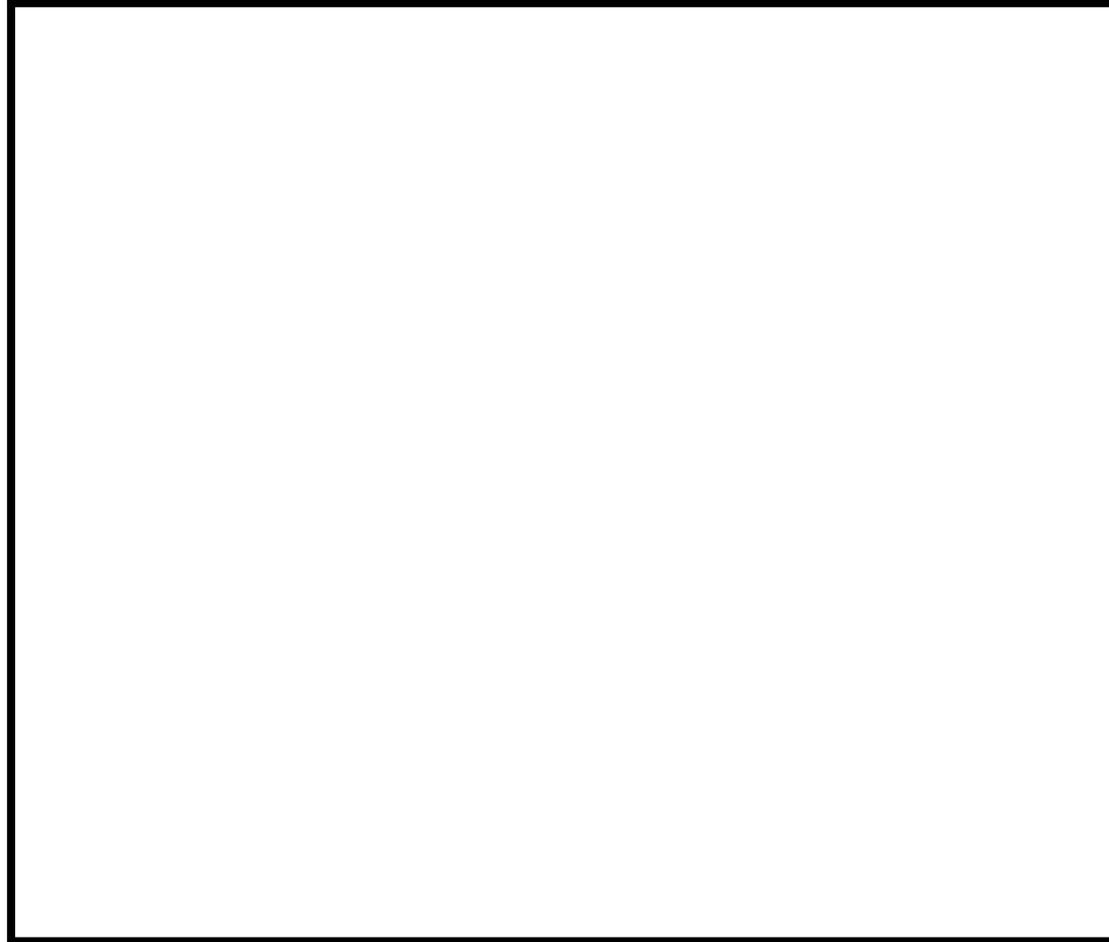

I have to...

Choose my food,

Find a place to sit,

Eat my lunch, and

Clean up!

I have to...

Choose my food,

Find a place to sit,

Eat my lunch, and

Clean up!

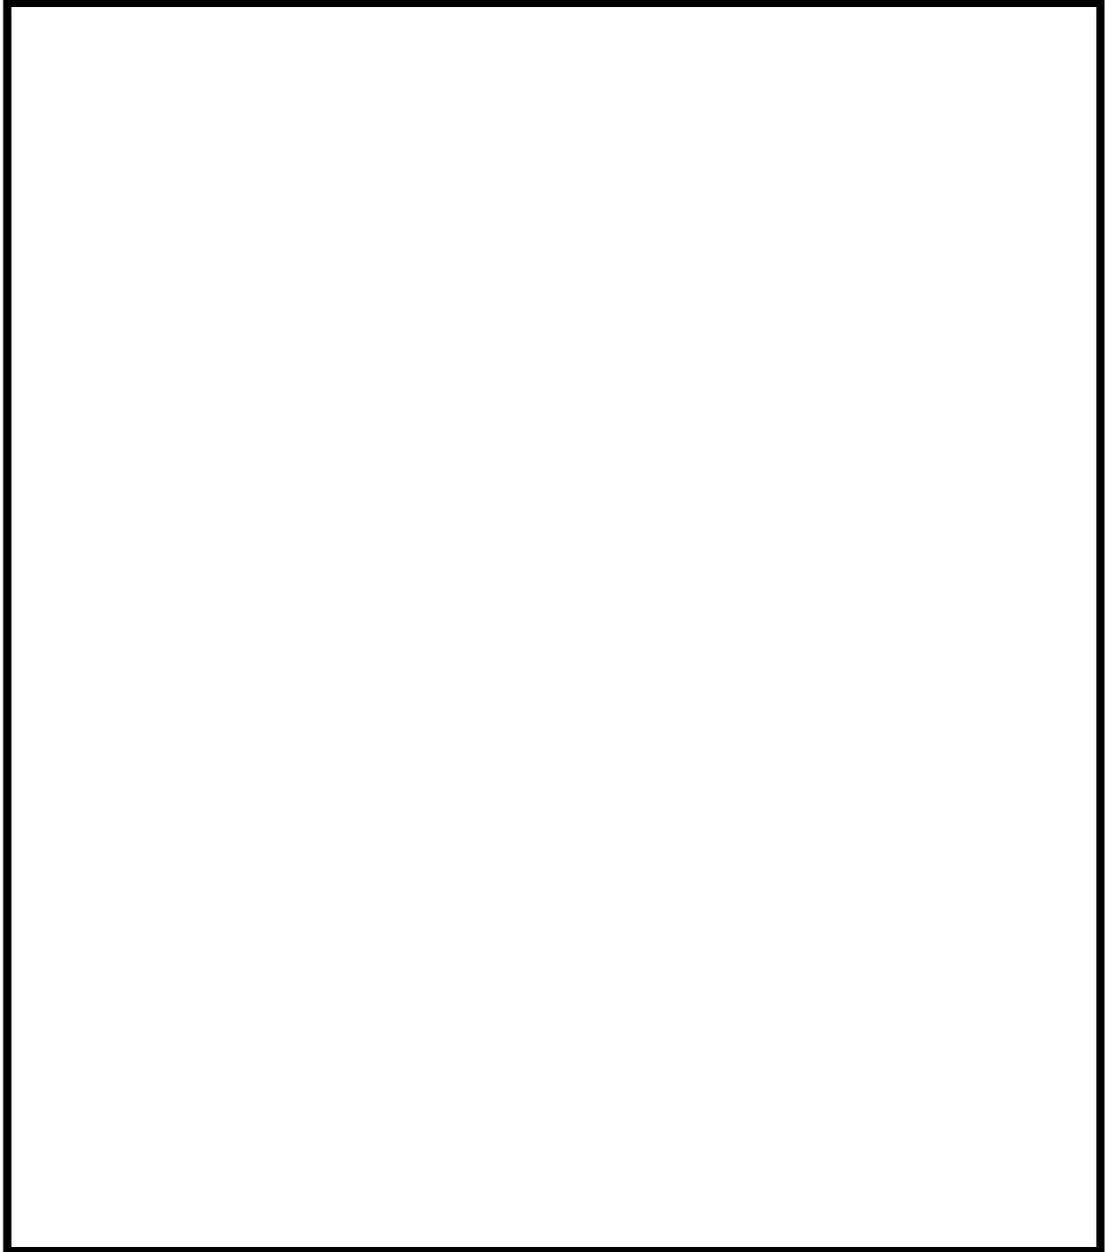

I walk into the cafeteria.

The food is there for us to choose.

I have to decide what I think looks good.

Then only take the food that I'm going to eat.

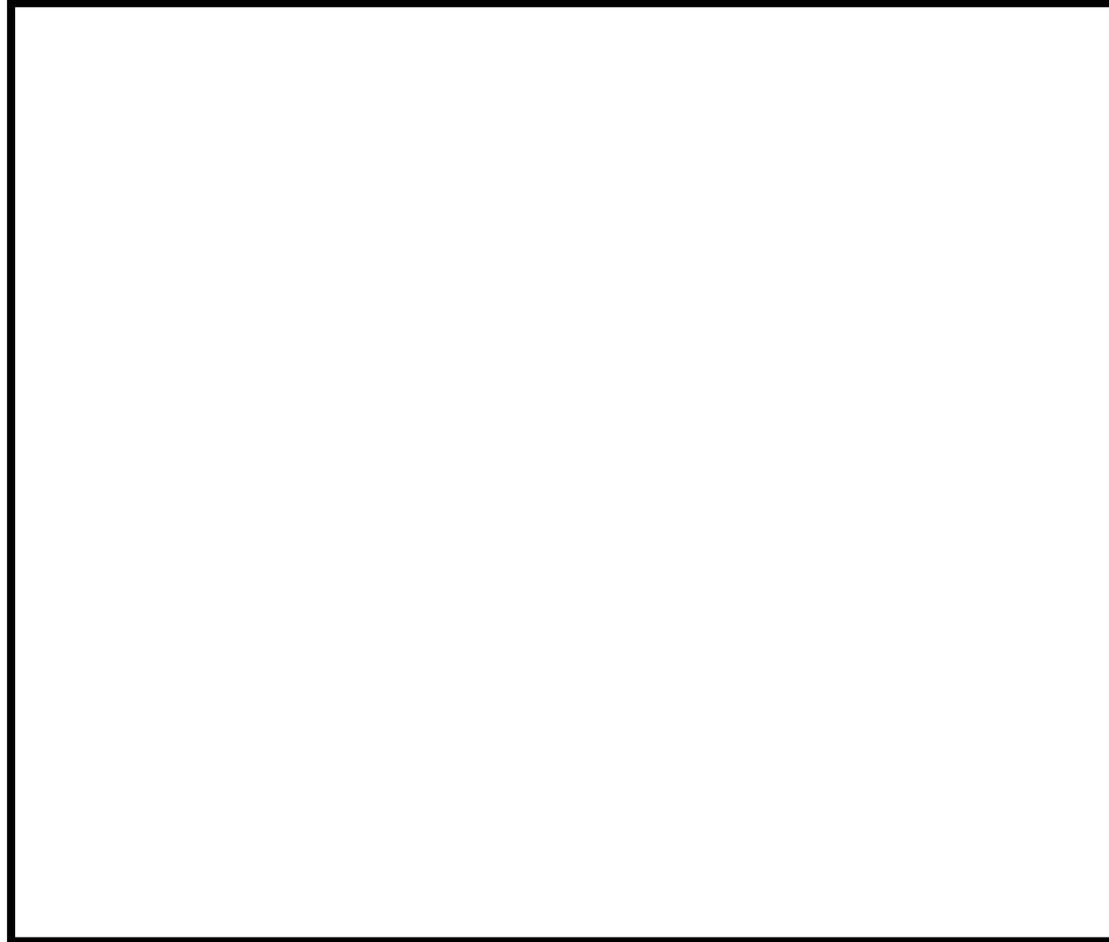

I have to...

Choose my food,

Find a place to sit,

Eat my lunch, and

Clean up!

I have to...

Choose my food,

Find a place to sit,

Eat my lunch, and

Clean up!

Now I have my food,

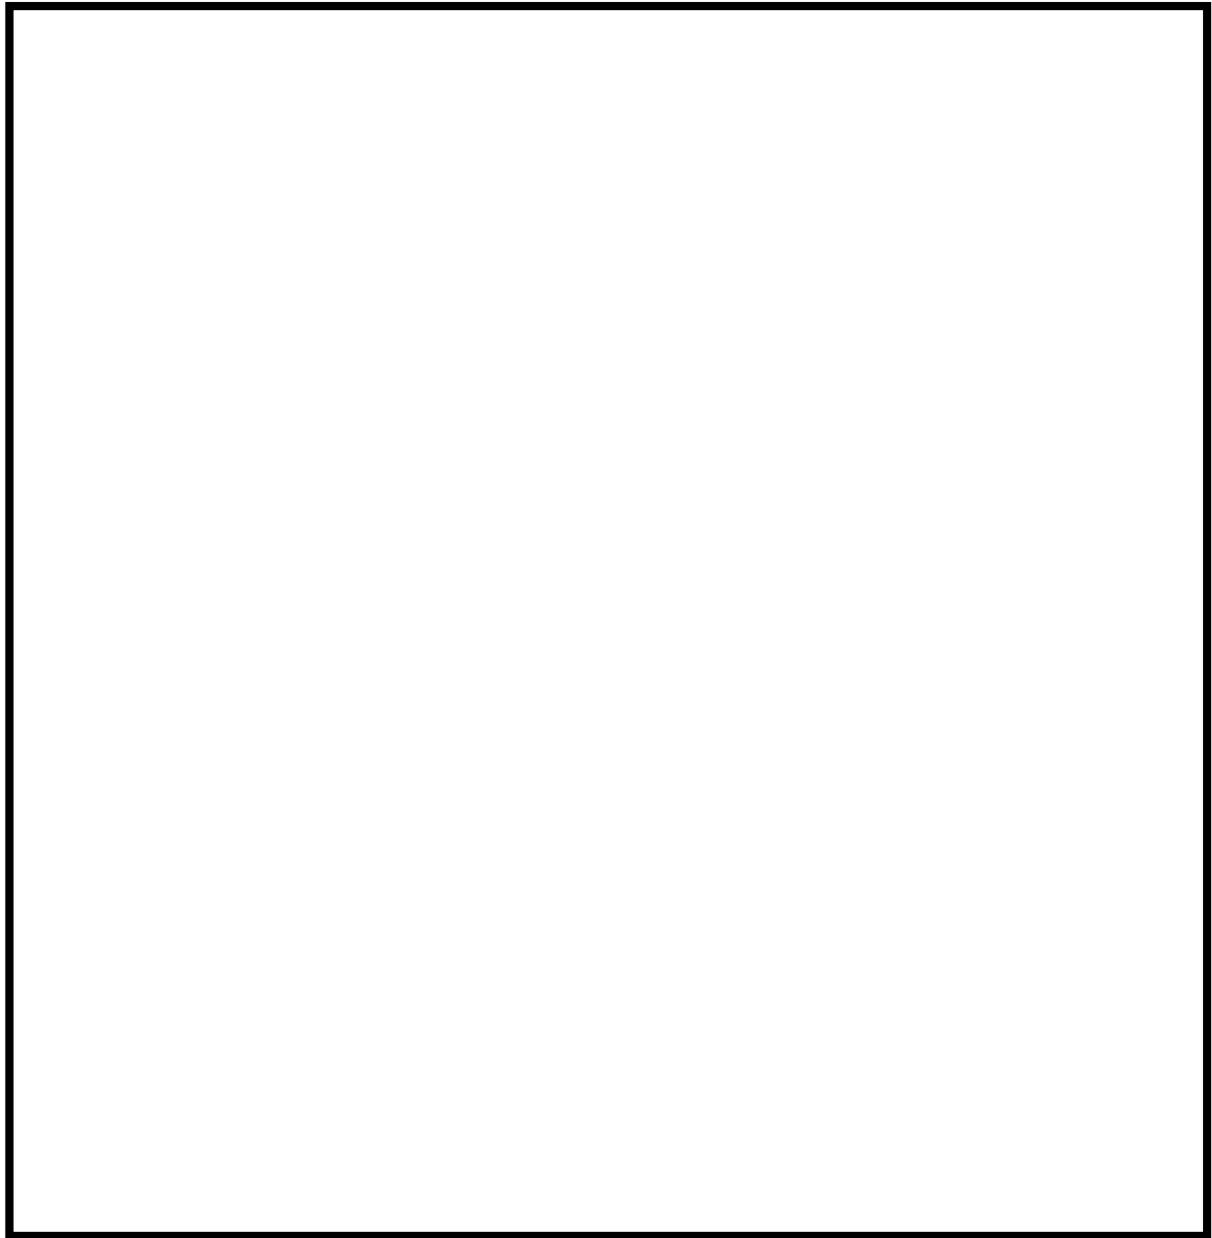

And it's time to eat.

I choose a table, sit down,
and eat.

Now I have my food,

And it's time to eat.

I choose a table, sit down,
and eat.

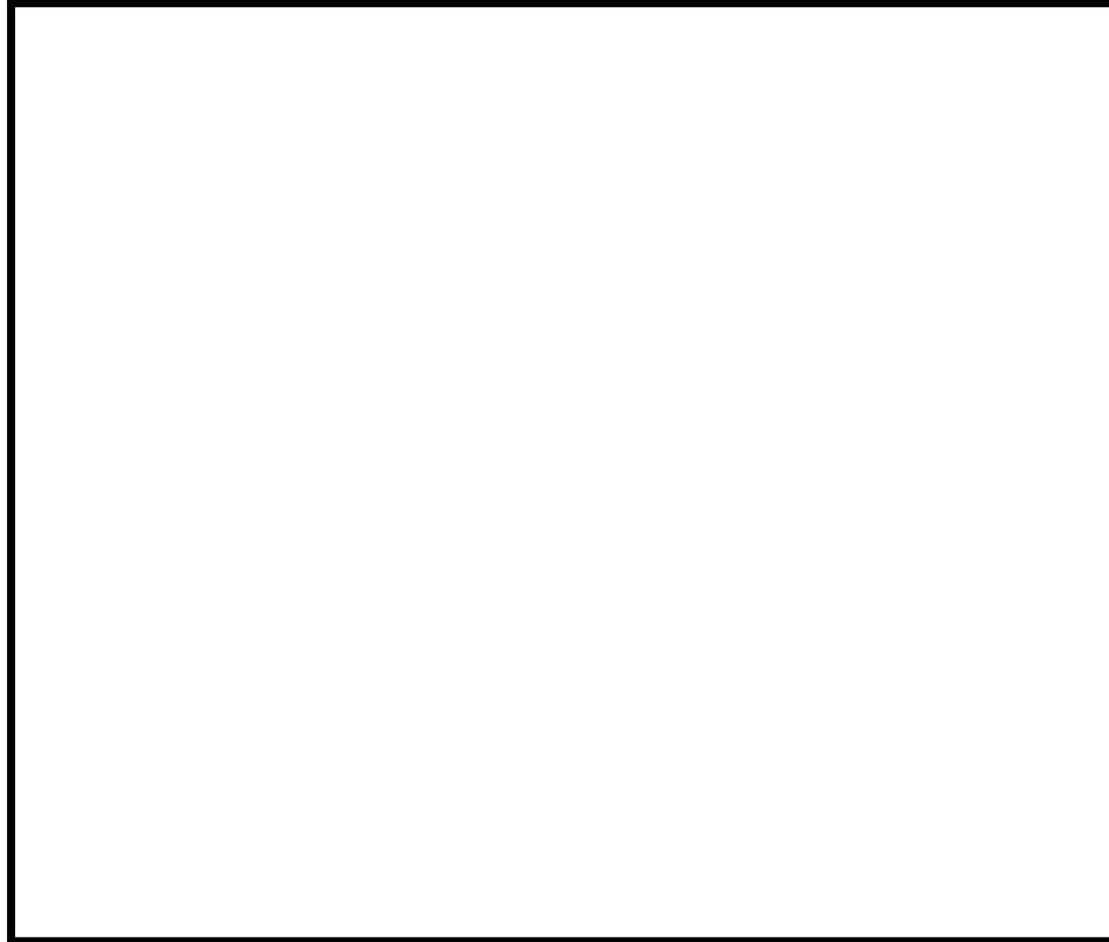

I have to...

Choose my food,

Find a place to sit,

Eat my lunch, and

Clean up!

I have to...

Choose my food,

Find a place to sit,

Eat my lunch, and

Clean up!

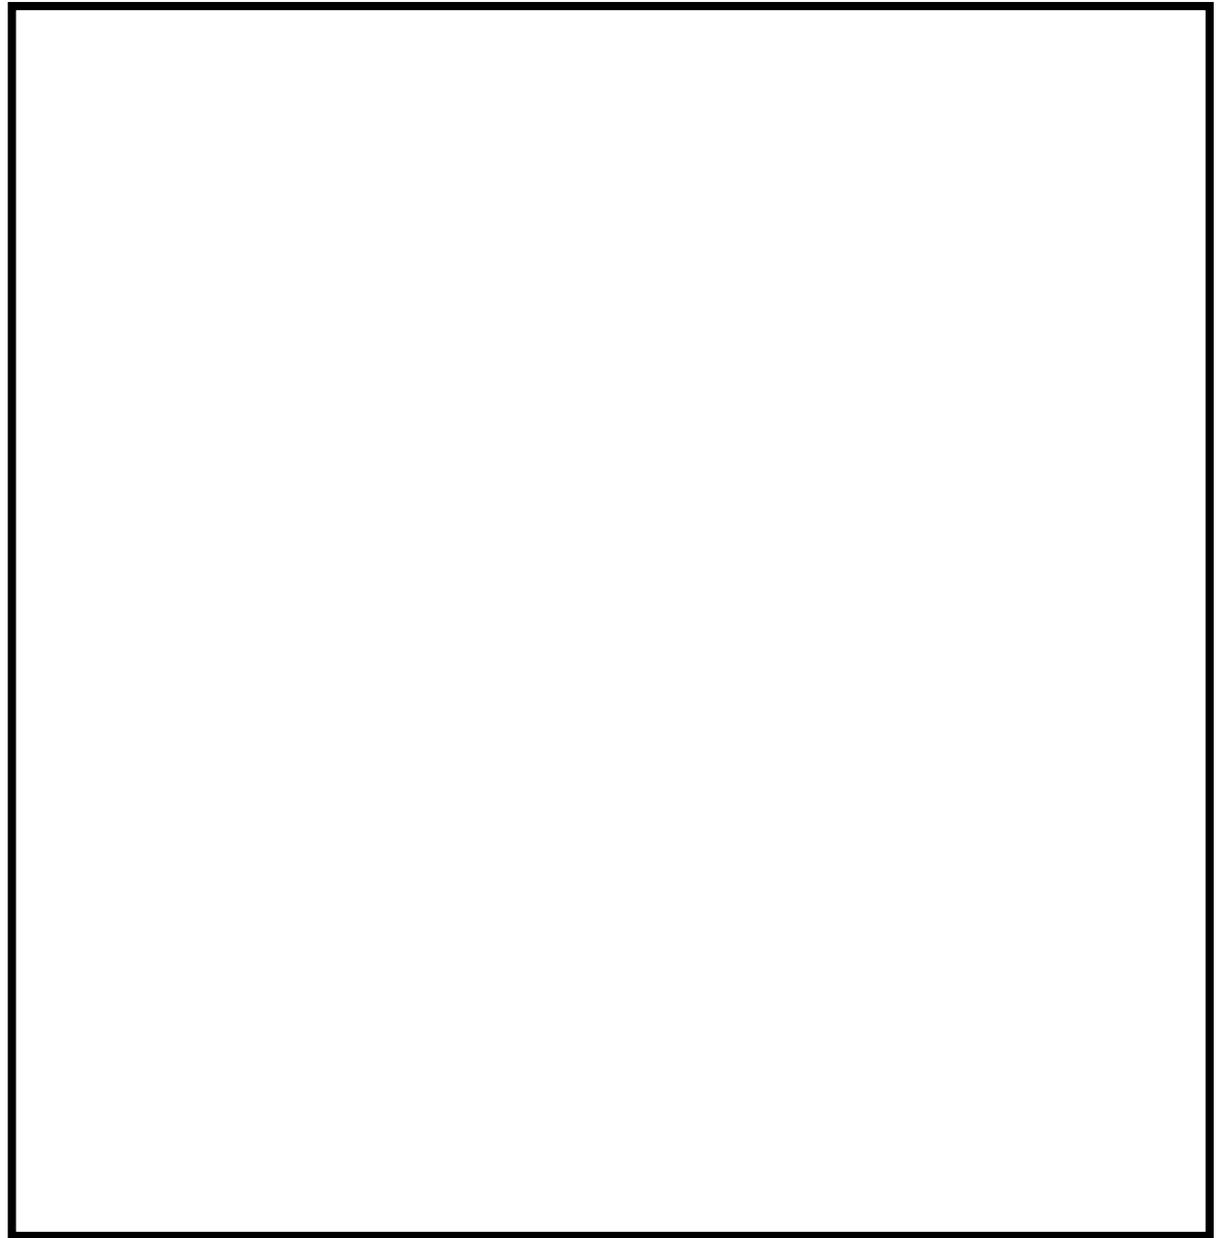

My lunch is done, but I
am not.

It's time to clean up.

I throw away my trash,
push in my chair,

And make sure my area
is neat and clean!

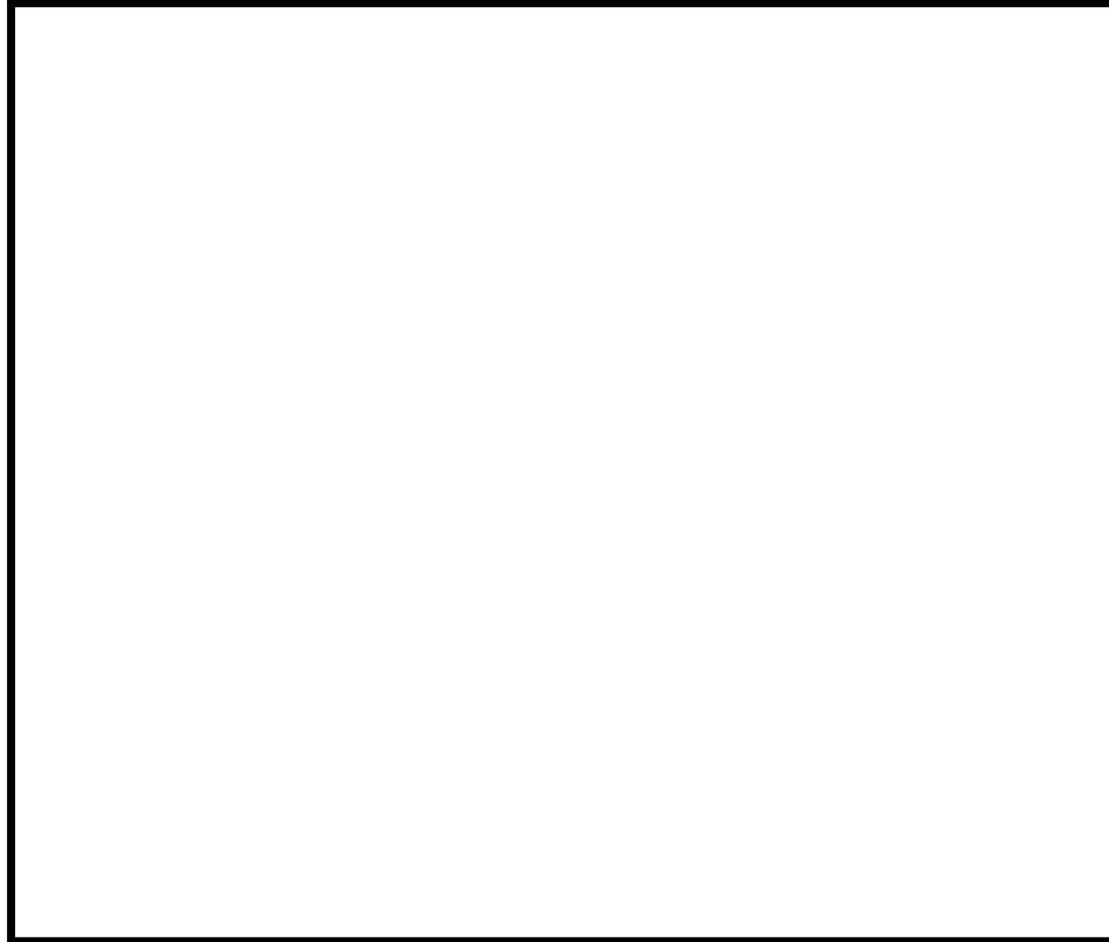

I have to...

Choose my food,

Find a place to sit,

Eat my lunch, and

Clean up!

I have to...

Choose my food,

Find a place to sit,

Eat my lunch, and

Clean up!
