

Valentine's Day Song Writing

There's a little wheel turning in my heart
A little wheel turning in my heart
In my heart, in my heart
There's a little wheel turning in my heart

Won't you be my valentine?
Won't you be my valentine?
Be my valentine, be my valentine
Won't you be my valentine?

_____ won't you be my valentine?

_____ won't you be my valentine?

I love it when _____

Oh _____, won't you be my valentine?

Draw a picture of what you like to do with your valentine!
